

Is Peace Possible?

Who decides?

The U.S. is mired in endless war with no hope for peace in sight —only more death, destruction, and an endless cycle of retribution.

*How did we get here?
Must it be this way?
Isn't there a path to a peaceful future?*

*Noted peace activist and author David Swanson will address a public forum in Evansville on the Thursday after International Peace Day. David is executive director of **World Beyond War** and campaign coordinator for **Roots Action**. He is author of a dozen books that expose the follies and fallacies of militarism; he blogs at **DavidSwanson.org** and **WarIsACrime.org**.*

Free public event — paid for by local veterans.
